DONATION WITH THE ASSUMPTION OF ACCESS

From Repression To Revolution

KENNETH V. COCKREL

This was being done, and this represented the reason John Watson was attacked...and you found such perverse things going down in the city as the racist Detroit News pretending not to be anti-Semitic and charging the bloods with being anti-Semitic. John Watson was certainly not anti-Semitic. John Watson was not sought to be prosecuted and charged for beating the hell out of a white newsman because he was alleged to have beaten up Joe Weaver. He was sought to be prosecuted and charged because he was a member of a revolutionary organization and he was making efficient revolutionary use of an available resource to replace the resources we no longer had. He took over the South End.
