WHAT IS DIGITAL STUDIES?

Digital Studies in the Arts and Humanities (DSAHA) explores the intersection of culture and digital technology. We use digital methods to create new knowledge and tell critical stories.

WHY DO DIGITAL STUDIES?

- + Work with **digital tools** and platforms to expand your skillset
- + Create **portfolio-worthy projects** to use on the job market or for grad school applications
- + Explore **culture** in the digital age, from ancient art to social media, and everything in-between
